A Note from the President

"I would like to thank everyone that made the 2013 Alumni Family Day a success, especially Travis Drake. This years the event's attendance doubled and it was incredible. It is always fun getting to see how our Brotherhood grows into family. I am a bit worried that we have more future White Roses and not enough little Sig Taus. I look forward to seeing the event grow again next year. Thanks again to all who made it out." Mike Van Camp

Softball Game 2013

The 3rd annual Alumni vs Actives softball game is scheduled for August 10, 2013 at 9pm at Fairbanks Park. Yes that's right folks, it's going to be under the lights. The temperatures should be much more cooperative than last years game.

We are having a BBQ at 7pm at the Chapter house before the game.

Then there will be a post game celebration at Ole' Simrell's.

You need to RSVP with Mike Van Camp at mike@vansindustrial.com or contact him on facebook if you plan on attending so we can plan for the BBQ. Also, if you want to play in the softball game, contact Mike Van Camp and let him know what position you would like to play.

Lastly, there is a discussion of possibly playing golf earlier in the day. If you are interested in playing golf, again contact Mike and let him know.

Family Picnic 2013

The Family Picnic day was a great success. Brother Van Camp said it best with the day and event being incredible. The weather was very cooperative this year compared to last year. Thanks to all who came out and had a good time. We look forward to seeing everybody again next year.

Alumni Website

The alumni website is in terrible shape. The site is hard to navigate and lacking in useful information. We are in the process of updating and revamping it. Ryan Barker and myself are going to be working on it throughout the remainder of the year. If you have any suggestions or ideas of things you would like to see on the website, please feel free to contact me (curt.binder@gmail.com) and let me know. We will do our best to bring it up to date and more useful.

Vice President's Corner

So far, this year has turned out to be an exciting one. We have already gotten back in touch with many brothers who have been out of contact for a while. This just goes to show that our brotherhood remains strong no matter how long passes between encounters. One common trend seems to be that many of our brothers are starting families or soon will be. I think that this is excellent that as our lives are evolving, our brotherhood remains and continues to grow strong with us.
