### Update from the Actives

The month of August was a busy time with school right around the corner and everyone coming back from the summer to move in. We found time to meet with some alumni, and we talked about recruitment with Josh from Phired Up, who helped us with Chapter Builder. He talked about how to recruit and goals to set to help us get as many new members as possible by the end of the semester. Some of the brothers went out and tried to recruit some new students that just moved in a few days prior. We had rush schedule that involved Wing Night, FSL Carnival, Poker and Cigar Night, Can Jam, Basketball with the Brothers, and Grilling with the Brothers. Our first rush event went great, we had about eight potential new guys that seem interested in Greek life and our fraternity.

It's Homecoming Time and our State is Louisiana and our theme is New Orleans. We are paired with Pi Lambda Phi and Alpha Phi We are planning on doing Sycamore Sync. Scheduling conflicts between us and Pi Lambda Phi caused us to not be able to do trike. So we are putting our full effort into Sync. The homecoming our float theme is Bourbon Street.

Our rush event we had recently has been going good. We are still out recruiting guys on campus. We are looking at a few guys that meet our standards and values. The brothers are working to meet our goal of doubling the chapter before the end of this semester.

We had a rush event that involved basketball, we had a great turn out. There were four guys that came for basketball and to get know some of the brothers as well. We have four guys that signed their bid. This is small number but we have the whole semester to rush and get more brothers to help grow our chapter for its future. Everyone brother is working hard to recruit and staying in contact with the guys they were talking to on Chapter Builder. We have been having calls with Josh from Phired every two weeks, and all the brothers meet in a study room in the library for the calls. We are very excited for the semester to roll along and see our chapter grow.

# Family Day

This year's family day was a great success. We had a fantastic turnout with old and new brothers. It was a hot day but we all managed to have a great time. We look forward to seeing everyone again next year!

# Recruiting Competition

All:

2016 / 2017 has been designated the year that we “Grow the Party, Add to the List, Bring a Brother with you”. To do that we need your help.

**As with all things Sig Taus do, it seems that nothing gets us moving like a little friendly competition, so here’s how this will work:**

- The contest will start June 19th (Father’s Day – it just seemed fitting) and end at midnight the day before the Annual Alumni Association Meeting in 2017.

- For each brother an alumni member recruits and has join the association by paying dues - he gains a point.

- After joining the association the “new” members are eligible for the contest as well.

- ANY brother who is not a current member of the association as of the start date is fair game for recruitment!

- **At the Annual Alumni Association Meeting in 2017 we will tally the points and award a winner, who will receive a \$250 Visa Gift Card.**

- In the event of a tie, the names will be tossed into a hat and one will be drawn at random as the winner.

**To help you get started here are some tips:**

- Recruit from your era, you shared a significant amount of time with the brothers in your pledge class, and those you lived with. Take a moment to reconnect with those guys and ask them to join the organization and enjoy being a part of the fraternal experience once again.

- Call your big brother and work through your “family tree” and reconnect with the members that are partly responsible for you being a member of STG.

- Call the guys you went on Spring Break with, rode trike with or just hung out with all the time – reliving the good old days is a good way to reconnect.

- There are a lot of ways to recruit brothers and bring them back to the family, and it all starts with something as simple as a phone call.

Good luck and may the best man win.
