Zac Garner, President

- Chapter update: Chapter held elections last month. I have been in touch with the new board. The President and VPF are excited and want to right the ship. I discussed some top issues and we will see how it goes. They will be switching over accounts on Wednesday before leaving for break. Also 4 of the new board members will be attending Presidents academy this year in Kansas City. Always good to see young guy so interested in doing such great things. The new president was also at Noble Man Institute so he is getting some great exposure right away. I have emails and phone number I can share on a not so public forum.
- Spring meeting plans. Meeting will be held in Indy. The date is May 5th. Final details to come.
- Long term investment ideas for housing and chapter growth. A sub group consisting of Andy, Curt and Zac will be meeting to present options to the Association at our annual meeting.
- Next joint call will be in February. We will also open up nominations for the next board on this call. If you have any topics you would like for us to discuss please let us know.

- **Spring Meeting. May 5th !!! The exciting news about this is, the new HQ building is about 4 minutes from the Embassy suites North (location of past meetings) and the national dedication and grand opening of the new HQ will be that same day our plan will be to have our meeting before the events of the HQ start. Depending on size we will work on transportation to the ribbon cutting and tour of the new HQ. This is a very exciting time for the chapter and the association so hopefully we are able to have a great showing from our alumni.**
