- Chapter update: On Feb. 17 the chapter had a joint event with Gamma Phi Beta. They took them a bouquet of their national flowers and played games. I guess it was a success. I was also informed that they had 4 new members during the Spring. They are also volunteering at a church and serving chili on March 4<sup>th</sup> at a food bank. They are looking into starting a volunteer opportunity with an after school program. Simeon (chapter president) was also selected to sit on the IFC J-Board. It sounds like they are in communications with the HQ and working towards changing the image of Delta Tau.
- HQ Ribbon Cutting on May 5<sup>th</sup>. Final details have not been released.
- Nominations are now open for the 2018 Board of Directors. You must be a current member to make a nomination. Your nominee must also be a member of the Alumni Association. We will take nominations till April 23<sup>rd</sup>. Nominations will be accepted on conference calls and emails. We will post them on the website. **Please check the website for a current list.**

- **\* I published the latest newsletter on the website since I didn't have any feedback or remarks otherwise from everybody.**  
**\* I did not post it to social media just yet. I was waiting for it to be sent out to the membership before posting it, however it shouldn't**

have to be sent to the membership first and it could be posted directly and everyone can get it from the website.

\* I am still thinking and working on ways to simplify the newsletter in the future. I will have ideas to present at our annual meeting in May.

\* Nominations have not been posted to the website yet for the officers. I did not have an exact list of the nominations and therefore I did not want to post anything that wasn't a definite.

\* A facebook event needs to be created still for the annual meeting and all people need to be invited to it. The nominations will be listed on that page along with any further details about the HQ ribbon cutting.

\* Any further details about the ribbon cutting will also be posted on the website for the annual meeting.
